ORDER:

The Social Welfare (TW) Department has stated that, the Engineer-in-Chief, Tribal Welfare in the reference 1st read above, has reported that, the ministerial employees working in the Office of Engineer-in-Chief, Tribal Welfare, Hyderabad has submitted a representation that at the time of creation of the Tribal Welfare Engineering Department, for technical post, similar pattern was adopted on par with other sister Engineering Departments. They further stated that for ministerial posts the same pattern was not followed and the post of Non Technical Personal Assistant was not sanctioned as was done in other sister Engineering Departments, and requested to create one post of Non Technical Personal Assistant. Further, the Engineer-in-Chief, Tribal Welfare has stated that as per the existing staffing pattern in Tribal Welfare Engineering Department there is only one post of P.A. to Chief Engineer (technical) and a Deputy Executive Engineer is working against that post. The functions of Personal Assistant to Chief Engineer, Tribal Welfare is purely ministerial functions and these ministerial functions are performed by Deputy Executive Engineer and not performing any Engineering functions since inception of the Dept., because there is no sanctioned post of Non-Technical Personal Assistant in Tribal Welfare Engineering Department and whereas in other sister Engineering Depts., the functions are performed by Non Technical Personal Assistant. Hence, the Social Welfare (TW) Department has stated to suppress one post of Blue Print Operator in the Office of Engineer-in-Chief, Tribal Welfare, Hyderabad to upgrade one post of Superintendent as Non Technical Personal Assistant to Engineer-in-Chief, Tribal Welfare on par with other Sister Engineering Departments. Further, on upgradation of Superintendent Post to Non Technical Personal Assistant post there is no extra financial commitment.

(P.T.O.)
